

DEVELOPMENTAL STUDIES

DS V10 - ACADEMIC SKILLS FOR COLLEGE STUDENTS - 4 Units

Hours: 4 lecture weekly

This course will focus upon developing basic skills in math, problem solving, reading, study skills and writing. The course has been developed for students who normally do not perceive themselves as capable of performing college level tasks.

Formerly DS 10. Offered on a credit/no credit basis only. Not applicable for degree credit.

DS V88 - DEVELOPMENTAL STUDIES WORKSHOPS - .5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community, as required and/or requested by persons whose needs in this area are not met by present course offerings.

Fees may be required. Field trips may be required. Courses with same title may not be repeated; may be taken for a maximum of 4 times. Formerly DS V89. Offered on a credit/no credit basis only.
